Macedonia International Airport (SKG), with frequent service from Athens and major European and international destinations, is 8 kilometers east of campus.

From the airport you can take a taxi which costs approximately 20€ (late time fees apply)

By public transportation, you can take bus No. 79, stop at the IKEA bus stop and then switch to No. 67 till Thermi at the bus stop “Dimarchio Thermis”. After that, you take bus No. 66 till the “Amerikaniki Georgiki Scholi” stop. You cross the street and you will see the secondary gate of the AFS.

Another option is to take bus 79 or till IKEA and get a taxi from there. The fee will be less, since it does not include the airport fee.

By Train or Bus

Trains and buses from Greek and European destinations arrive at the OSE Thessaloniki Train Station in downtown Thessaloniki and the KTEL Bus Terminal on the west side of the city. Taxis and local bus service are available at both locations. From the KTEL Bus Terminal, take the No. 8 bus to the OSE Thessaloniki Train Station. Afterwards you have to switch to bus No. 10 bus to its terminal in Harilaou and then board on bus No. 66 bus to the 7th stop, marked the “American Farm School”.

Via the Ring Road (Periferikos Odos)

Take the Ring Road east towards Macedonia Airport and the resort peninsulas of Halkidiki. Exit at Interchange 12, which is near the eastern terminus of the Ring Road. Exiting, remain in the center lane until taking the left fork at the left directional sign pointing to Halkidiki.

Continue for 1 kilometer to the first exit, marked Thermi/Finikas. Turn right at the Stop sign and drive under the overpass to the traffic light. Turn right into the entrance to the American Farm School.

Drive through the city

Drive through the city of Thessaloniki, taking the road (Nikis Boulevard, John Kennedy Boulevard) with the harbor to the right and continuing past the landmark White Tower. Road signs direct to Macedonia Airport and Halkidiki. Continue to the Macedonia Palace Hotel; stay in left lane for 2 kilometers and take left fork in the road. Continue for 6 kilometers to the traffic light (left hand turn only) with left directional sign to Halkidiki. Turn left and continue for 1 kilometer. Immediately after the overpass, turn right at the traffic light into the entrance to the American Farm School.
