

## ACCOMODATION IN VISBY

Accommodation in Visby can be tight as the city is a popular holiday place. Consequently the University has pre-booked a number of rooms (both single and double). The pre-bookings are valid until 15 June (except for the Hostel until 15 May). After those dates they will be automatically cancelled. It is possible to extend the stay, especially if the booking is made early.

Please contact the hotel of your choice to confirm a booking, specifying that you are attending the EISIC Conference. Payment will be made at the hotel.
